CONSTRUCTORS

Mentor-Protégée Joint Venture
Approved by the SBA #110376

GSE Construction and SLS Constructors have teamed up under the SBA Mentor-Protégé Agreement to provide construction services on 8a set aside contracts. GSE/SLS is seeking Federal Government Clients who require top quality service and 8(a) certification.

As a mentor-protégé team we can provide our clients with the security and expertise of a larger construction firm, while still providing the personalized attention of a smaller company.

- ▲ 27 Years of Continuous Experience.
- ▲ Comprehensive construction capabilities.
- ▲ Experience Modification Ratings. GSE .68 & SLS .87.
- ▲ Bonding Capacity of up to \$ 40,000,000.
- ▲ Unparalleled safety record and safety program.
- ▲ Very familiar with integrated safety management (ISM).
- ▲ University of California, Key supplier, Performance rating of 98/100.
